

# WE PUT MORE IN - YOU GET MORE OUT

## QUALITY CRAFTSMANSHIP

Superior materials and craftsmanship ensure you receive a long-lasting and reliable product.

## PLUG & PLAY

Our products come fully assembled & glazed, ready for easy installation and operation.

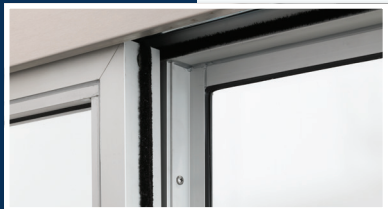

## CUSTOM CAPABILITIES

We have a wide array of options to tailor the perfect solution for your project.

## CUSTOMER ORIENTED

Our customers are our first priority and we always strive to provide you the best customer service.

## ENVIRONMENTAL PROTECTION

Our products are designed to fully protect your building from the elements and keep out wind, rain, and snow.

## PRODUCT GUARANTEE

We stand behind all of our products and offer a 1 year warranty including parts and labor.

At Quikserv, our goal is to simply make your pass-thru experience the best it can be. Whether you are the operator or the customer, we want you to enjoy your transaction through a Quikserv product. We work tirelessly to provide the finest line of pass-thru / drive-thru products on the market. Quikserv is committed to excellence, superior craftsmanship, and impeccable customer service for each Quikserv product sold. Your total satisfaction is our guarantee; you have our word.

~Jason T. Epps, CEO and President

Quikserv specializes in providing custom solutions tailored to our customers needs. Contact us today about your unique project requirements and we will be happy to make your vision a reality.

## SECURITY WINDOWS & PASS-THRU SYSTEMS

# SECURITY & BULLET RESISTANT SOLUTIONS

## TICKET WINDOWS WITH DEAL TRAYS

Standard and custom options available for size, finish and glazing, including the following:

- Ticket windows available with deal tray or optional small slide up window
- Aluminum or stainless steel framing
- Natural voice speak thru portal or amplified speak thru available

**TICKET WINDOW**  
Standard Sizes:  
24"W X 36"H  
30"W X 36"H  
36"W X 36"H

**TICKET WINDOW WITH  
DRAWER COMBO**  
Standard Sizes:  
24-1/4"W X 38-1/2"H

Standard Sizes:  
36"W X 36"H  
48"W X 36"H  
48"W X 48"H

## SPEAK AROUND WINDOWS

Speak around windows have spacing built into the frame to allow the transfer of sound without the obstruction of a speaker portal in the glazing. A deal tray is included in the window base.

## BAFFLE WINDOWS

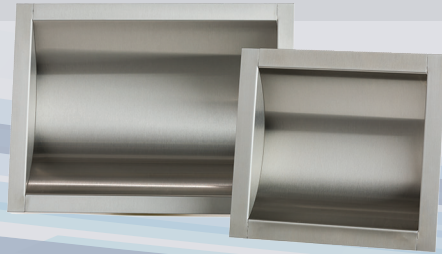

Baffle windows offer the optimum balance in bullet resistant protection and transferring sound. Each of these units can be built tailored to suit your project needs and includes a deal tray in the base to exchange goods.

## DEAL TRAYS

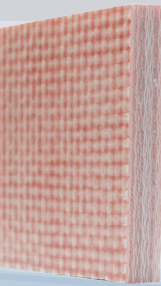

Deal trays are available in two sizes and are available in bullet resistant or non-bullet resistant design.

**QS-1612**  
Unit Size: 16"W x 12"H  
**QS-1110**

## BULLET RESISTANT PANELS

Quikserv carries a large selection of fiberglass panels to accompany your pass thru system in order to provide the ultimate level of security and protection

# SECURITY & BULLET RESISTANT SOLUTIONS
