WHAT IS PRODUCT MASTERSPEC

Product MasterSpec is a program that allows manufacturers to license sections from the MasterSpec libraries. Professional Specifiers from Deltek worked closely with Fox Blocks to determine where our specifications fit and provided guidelines to ensure the product line meets Deltek's standards.

WHAT IS MASTERSPEC

MasterSpec is a comprehensive library of specifications that covers over 1700 sections in full-length, short form, and outline formats. MasterSpec specifications are customizable and include qualitative product overviews, editing instructions, reference standards, manufacturer and product comparisons, drawing coordination and specification checklists.

WHO USES MASTERSPEC

MasterSpec has been the industry standard since 1969. MasterSpec has over 12,000 users and is by the AIA, ACEC, ASID, ASLA, CASE, IIDA, NLA and NSPE. MasterSpec is used by many of the top architectural and engineering firms.
