The Making of a Greenfields Outdoor Fitness Center

BARNETT PARK - ORANGE COUNTY, FL

Greenfields offers complimentary site layout design services to help you create the perfect fitness destination for your community.

BARNETT PARK BEFORE

We consider several factors when helping you design your gym:

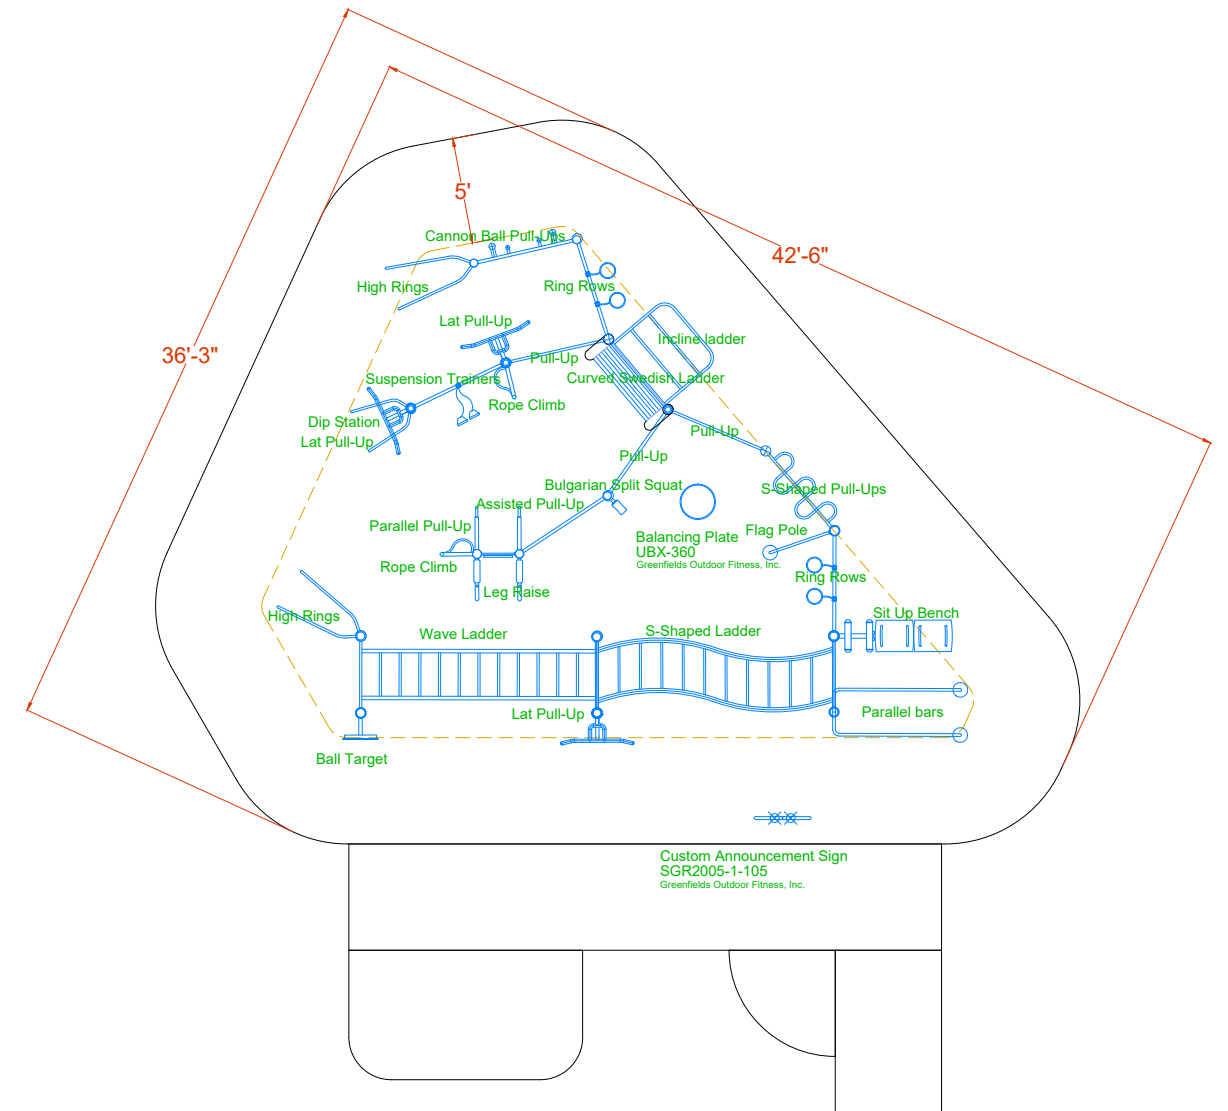

- Available space and surrounding area
- Intended users
- Budget

For the Barnett Park gym, project parameters called for the gym to fit in a uniquely-shaped area adjacent to the parking lot.

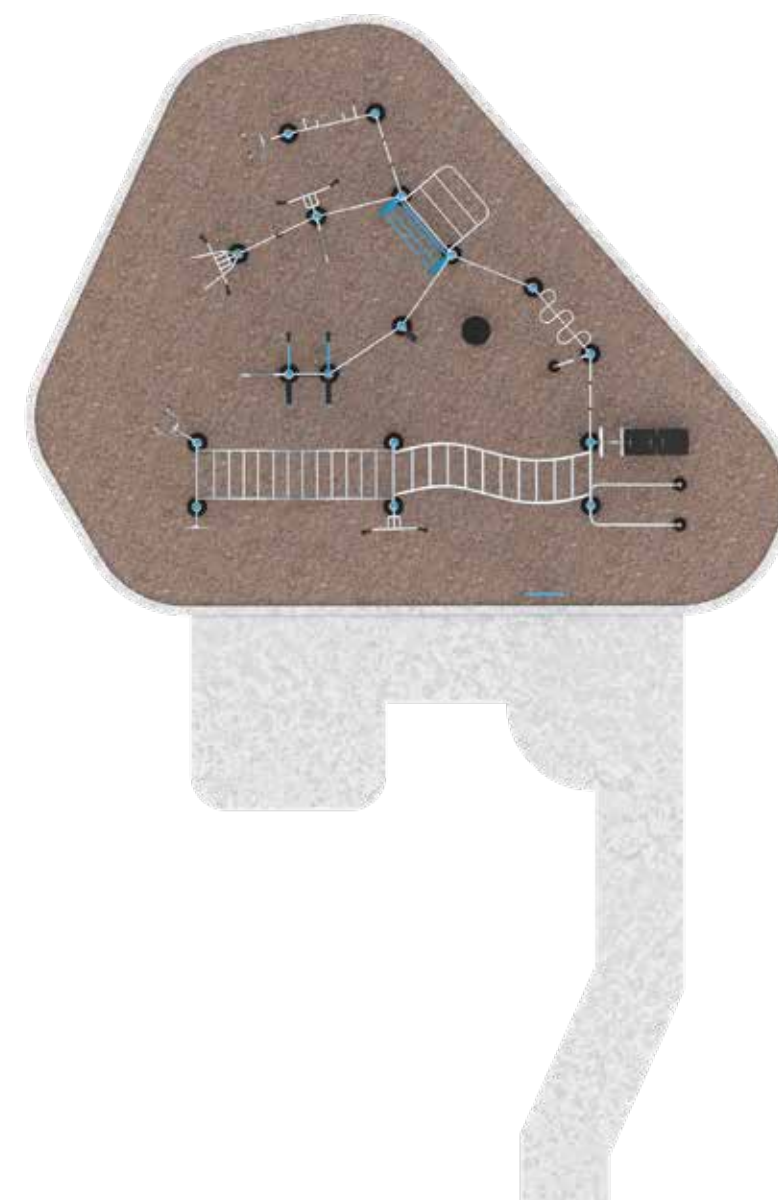

Barnett Park's completed gym allows 27 people to exercise at the same time! Features on this gym include:

Balancing Plate	Incline Ladder	S-Shaped Ladder
Ball Target	Lat Pull-Up Bar (x2)	S-Shaped Pull-Up Bar
Cannonball Pull-Ups	Leg/Knee Raise Station	Sit-Up Bench
Captain's Chair	Parallel Bars	Split Squat
Curved Swedish Ladder	Parallel Pull-Up Bar	Suspension Trainers
Dip Bar	Pull-Up Bars (x3)	Wave Ladder
Flag Pole	Ring Rows	
High Rings (x2)	Rope Climb	

A basic 2D layout shows the footprint of the gym. The Barnett Park Fitness Rig covers a total of 1129 square feet.

Visualize your fitness center with high-quality 3D images. Greenfields can even superimpose 3D graphics into photos for a realistic representations of the finished product.
