Echelon (noun)

1. a level of command, authority, or rank
2. a level of worthiness, achievement, or reputation
3. any structure or group or structures arranged in a step like form

Ex-Cell Kaiser's Echelon Collection brings our 85 years of industry experience together with a refreshing, unique design that can accommodate virtually any public space environment.

The Echelon Collection provides an entire family of products that can be used across all areas of any facility, with capacities ranging from 32 gallons to 75 gallons. Featuring stainless steel construction accented by black trim and silk screened aluminum graphics plates, Echelon units enable customers to maintain the integrity of their décor facility-wide!

The Echelon Collection also includes two styles with sturdy aluminum canopies designed for outdoor use.
