

Streetscape *Collection*

ENHANCE YOUR OUTDOOR SPACES

Timeless, elegant design and extremely rugged construction combine to make this one of our most popular collections.

Available in a number of configurations, a Streetscape model is available to meet the exact need of our customers.

The Streetscape Classic is available in a 37 gallon flared design or an SCTP-40 45 gallon with or without door. All of these models are also available with a canopy.
