

Turn-N-Slide™ Easy Fastening System

STEP 1:

Use our special vandal-resistant tool to remove access cap

Reverse the steps to re-attach

it's that easy!

STEP 2:

Turn concealed nut using a standard socket wrench. Attachment hook moves backward, releasing the canopy cables.

WHAT IS THE TURN-N-SLIDE™?

Our patented Turn-N-Slide™ Easy Fastening System is an ingenious mechanism which comes standard on all frame-supported Shade Systems products and makes removal and re-attachment of the canopy quick and easy for most anyone on your staff. And it's covered by a 10 year warranty.

WHY DO WE NEED SUCH A MECHANISM ON OUR SHADE?

If you are located in colder climates, you will want to remove your canopy and store it for the winter season. This prolongs the canopy's life by not subjecting it to snow loads and winter storms. Likewise, if you are located in an area subject to hurricanes or tornadoes, the Turn-N-Slide allows quick removal of the canopy as soon as you receive a storm warning.

WHAT DOES THE COMPETITION OFFER?

Good question. The competition's canopies are mostly designed to be permanent, and require special tools and oftentimes the services of professional installers for removal and especially re-installation. Ask the competition to describe the specific steps required to remove and then re-attach their canopy, and judge for yourself if the same thought has gone into their product as the Turn-N-Slide.

WHERE CAN WE LEARN MORE ABOUT THE TURN-N-SLIDE?

Visit our website at www.shadesystemsinc.com to see a 6-minute online demonstration video of how easy it is to remove and then re-attach your Shade Systems canopy.
