20-Year Limited Warranty

At Nill Building Solutions, we stand behind the strength and reliability of our products. We are proud to offer a 20-Year Limited Warranty on all standard mounting and fastener products.

1. Warranty Coverage

LN1, Inc., doing business as Nill Building Solutions ("Company"), warrants that its hardware products ("Product") will be free from defects in materials and manufacturing workmanship under normal use for a period of twenty (20) years from the date of original purchase.

2. What This Warranty Covers

This warranty applies exclusively to the structural integrity and material performance of the Product as manufactured and supplied by Nill Building Solutions. It guarantees that the Product will perform as intended when used under normal environmental conditions and according to product specifications.

3. What This Warranty Does Not Cover

This warranty does not cover:

- Installation of the product or any associated waterproofing work
- Corrosion, discoloration, or surface rust, including natural oxidation of stainless steel over time
- Improper installation or failure to follow installation guidelines
- Damage or failure resulting from misapplication, misuse, abuse, or use outside of intended design parameters or load ratings
- Defects or damage caused by modifications, repairs, or handling by unauthorized persons
- Any labor, removal, reinstallation, or related costs

4. Claim Process

To make a warranty claim, the original purchaser must notify Nill Building Solutions in writing within thirty (30) days of discovering the defect. Claims must include proof of purchase and documentation demonstrating the defect (e.g., photos, detailed description).

5. Remedy

Upon verification of a valid warranty claim, Nill Building Solutions will, at its sole discretion, repair or replace the defective Product. This warranty provides the exclusive remedy and does not cover incidental or consequential damages. Replacement products are warranted for the remainder of the original term.

6. Limitation of Liability

The Company's total liability under this warranty shall not exceed the original purchase price of the Product. Nill Building Solutions is not liable for any indirect, incidental, or consequential damages related to the Product or its use.

7. Governing Law

This warranty shall be governed by and construed in accordance with the laws of the State of New York.
