

The STI Baseball Program

Experience a **GREENER WORLD®**

Hit it out of the park with the top synthetic turf products to build a better baseball facility - from practice to game day.

FACTORY DIRECT

SYNTHETIC TURF DONE RIGHT

Our four decades of making baseball turf the right way gives you the only complete range of baseball products. This allows you to choose from the widest range of baseball products in the industry at the best possible price.

From a future Hall of Famer wanting just a batter's box to a complete indoor training facility to a full size stadium, we can service your every need.
